

# PRESIDENT'S MESSAGE

It is with honor and pleasure I return for the second year as President of this great Show. The Board of Directors, General Manager, Sam Magee, and his capable staff are planning and looking forward to another great Show, March 12-21, 2010.

Over 2,500 exhibitors will compete for prizes, ribbons, scholarships and premium money during the 10 days of the Show. Some will have the opportunity to sell their Champion Projects in the Sale of Champions on Saturday, March 20.

Top notch entertainment is scheduled with something to appeal to everyone. Reed Expositions will once again present a Carnival Midway with some of the most spectacular rides in the carnival industry.

We are proud of the Rio Grande Valley Livestock Show and the progress it has made since its humble beginning in 1940 and our thanks goes out to thousands of visitors, exhibitors and volunteers who support the Show each year.

We look forward to another good year by working together to promote Education & Leadership for the Future for our young people.

Bobby Sparks  
President
